rested for Smuggling.

SEATTLE, Wash, Sept. 25.—George Berger, local superintendent of the Pullman Palace Car comeany, was arrested this afternoon by customs officers on the charge of smuggling. With him was taken F. B. Stevens, better known as "Big Steve," and Stevens's wife.

The customs men caught the trio at the depot as Berger was carrying a grip to the train for Mrs. Stevens. The grip contained thirty pounds of opium, Berger dentes his guilt, saying he is a victim of circumstances. The officers say they have a strong case.

Stevens finished a term in prison last April for smuggling more than a ton of opium from Victoria to Scattle. All the opium was seized at the time and it was the largest single scizure ever made in the United States.

New York Wins From Pittsburg Coach Maddock of 'Varsity Team Will Drill His Men in New Tactics.

> Coach Maddock of the 'Varsity football cam has spent the last week teaching his men the rudiments of football-catching and passing the ball, the way to start, to carry the ball, and how to hit the line. During the coming week he purposes to orill them in new plays, to be used during the present season, and last night he devoted most of his time to this work. Toward the end of the week a couple of scrimmage games will probable be played with the soldiers and the high school bays.

with the soldiers and the high school loops.

Maddock is rapidly sizing up his men and shoving them into the places they will hold during the early season games. He proposes to pull Capt, Peterson behind the line on offensive play and let him go back fot tackle when defensive work commences. This means the back field will consist of Bennion, Russell and Peterson. A harder, faster and more ragged set of backs never played under Varsity colors. If Maddock can only drill his line men into shape so that they can make up by science what they lack in weight, Utah will down all competitors.

Back in Line

Back in Line.

Back in Line.

George Brown, a former captain of the Varsity team and right haif-back on last year's victorious team, turned out for practice last night for the first time Maddock tried him both behind and on the line. At present the coach is undecided as to whether he will keep Peterson behind the line continually, or allow him to return to his old place at tackle. This, however, is certain. Wherever the captain plays, he will be called upon to carry the ball almost as frequently as if he were a regular half-back.

It was rumored around the campus last night that Swapp, the big jumper and quarter-mile runner, will register during the week and take a chance at the game Swapp is a husky, active fellow, but the opinion is that he will have a hard time making the team during the early scason, for want of experience.

Jack Hume the crack amateur bike rider, who has been gobbling up all the honors at the saucer for the past four months, put on the warrior's togs last evening and tried out for end. He has speed, endurance and strength, but can stand teaching in the art of football. But he is a likely man and has a good chance for making the team.

Will Be Twenty-One.

Next Friday, Full-back Bennion, he with the mighty right leg, becomes a man in years as well as in size and wisdom. On this day a coming-out ball will be given at the Bennion home in Taylorsville in honor of Fred. The football boys, Coach Maddock and Manager Jensen, will be the guests at the party, the feature of which will be a big chicken dinner. The boys will go to Murray on the car and thence to Taylorville in carriages. They will spend the afternoon running through fast formations, just to work up an appetite. What they will do to the big full-back before they return to the city would be a shame to put in print, but the boys promise to make his coming-out complete. Bennion says he will not enter politics until he quits football. New York 9, Pittsburg 5.

FORT DOUGLAS GRIDIRONITES.

Soldiers Getting Down to Practice for Many Contests.

Agricultural college, University of Idaho, University of Wyoming, Fort Logan, Colo., and Eleventh infantry at Fort Rus-HIGH SCHOOL GRIDIRON BOYS.

Elect Officers and Get Down to Genuine Practice.

On the high school gridiron there will be

heard this afterhoon the heavy thad of twenty new pair of football shoes. The occasion will be the appearance of a second team on the gridiron to do training stunts and to battle with the huskles of the first team.

At a meeting last night of about forty new enthusiastics of the school it was decided that a second team should be organized for the purposes of giving the big team a chance to do genuine football practice and for the playing of secondary teams of other State high schools. Howard Young, a star player of last year's second team, was elected captain, and 'Pete' Smith, manager. All seemed to be anxious for an early start on the gridiron, and, consequently, this afterneon was set for Practice.

and, consequently, this afterneon was set for practice.

It has always been customary at the high school to have a second team for the purpose of lining up against the big team and giving them experience in bucking the line, carrying the ball and tackling. It is on the second team that players get their start in high school circles and there have been many cases where some fellows turned up on the second team that were more capable of handling places on the first team. This results in the strengthening of the first team. Numerous good players are developed each year and these in the following season usually make up the big team. The second team of one year is always the first team of next year. The second team also goes after honors in their own class. There are numerous other teams of their size in the State, and many games are played.

The Park City high school team has sent a letter to Manager Clausen of the local high school team, stating that its squad this year is too light for the big Salt Lake aggregation, but expressing a desire for a chance at the second team. This will be considered by the manager of the second team, and the Park City binness will clash.

The first team is still carrying on its strenucus work, and before the week is ended the

billities are that the Salt Lake and the Park City bunches will clash. The first team is still carrying on its atrenucus work, and before the week is ended the regular team and the "subs" will be named Coach Calahan and Captain Judson have decided on the players for most of the places, but there is still some doubt as to who will fill the positions of quarter-back and left grand. Rouse, Hansen, Loofbourow and Lynn are keeping things hot around the quarter position, while the guard is being contested for by G. Hyde and Kimbal. The red and black warriors Friday afternoon will go up to the university griding and line up against Maddock's bunch. This is an annual event and will be merely for training purposes. The two teams will line up and the coaches will direct the play and criticise the movements of the players.

# Bargains in Oldsmobiles

## This is the best chance anybody ever had to get an Oldsmobile

It may seem unusual to the public to see a bargain sale on automobiles advertised. But that is just what we are doing now.

The cars we agreed to take for fall delivery must be sold quickly. We cannot have our money tied up any longer. These prices are lower than ever before and lower than they are likely to be again-and the cars are all regular standard Oldsmobile models.

Look over these prices and then come and see the cars at once and have them demonstrated to you.

Oldsmobile 20 h. p. 2-Cyl. Touring Car, \$1000 Oldsmobile Standard Curved Dash Runabout, \$ 550

Oldsmobile Touring Runabout, 1905, \$ 650

WE ADD TRANSPORTATION TO THE ABOVE.

If you do not fully appreciate the unusualness of this offer, we know you will after you have examined the cars, but above all, do not put this matter off, as they are likely to be sold out in a very few days. If you are out of the city and want us to hold any special car for you, telegraph us.
